The Complete Package

On approx 657m² with attractive low maintenance garden including water feature and great street appeal, be prepared to be impressed by what this property has to offer. Featuring three bedrooms, updated kitchen and bathroom and living area. In addition, to cater for those family functions, or if you are inclined, party times, a fantastic rumpus room including spa, has been created by cleverly incorporating an existing outdoor undercover area.

It gets better! A fully self contained bungalow, including kitchen and bathroom, perfect for teenager, or sublet, has this property offering four bedroom accommodation and two bathrooms. With tinted windows, new window furnishings, new floor coverings, ceiling fan and split system air conditioner, the only thing missing is you!
