Exotic and enchanting, this exquisite Tuscan-style residence is a private sanctuary like no other featuring groomed tropical gardens that resemble those at an island resort, a free-form inground pool, extensive outdoor kitchen and a glowing wood heater that continues the luxury inside.

A rare but amazing blend of styles including Tuscan, modern and Georgian with tropical gardens that deliver a strong sense of peace and tranquility, the unique three-bedroom home has a simple but very effective floorplan that wraps around a central covered alfresco area, while the gardens marked with giant boulders provide several tranquil entertaining options.

Just a short walk to Benton Junior College and moments to Bentons Square Shopping Centre, the home includes two stunning living/dining areas, quality stainless steel kitchen appliances, a double remote-controlled garage and side gates to park a van, trailer or boat....
